SUDBURY, ONTARIO

AN AUTHENTIC CANADIAN EXPERIENCE

Sudbury has a population of approximately 160,000 people with a diverse economy, offering many opportunities to experience both culture and heritage. Our city is home to many scenic landscapes and outdoor adventure opportunities, with over 330 freshwater lakes and 200 km of trails. We are also in close proximity to major cities such as Toronto or Ottawa, allowing students to experience all of the amenities of urban life while surrounded by natural beauty.

A SAFE AND CARING COMMUNITY

Safe and welcoming neighbourhoods ensure that students feel secure away from home! Our city is home to a number of multicultural associations and newcomer services and there are many organizations in which students can volunteer at. Our students are also able to create a close relationship with their host family throughout the experience.

HIGH QUALITY EDUCATION

Our schools offer first-class secondary programs that are designed to prepare students for success at the post-secondary level! Some of our specialized programs include:

- **ADVANCED PLACEMENT PROGRAM** — Through AP courses, students who want to achieve at the highest level can earn advanced placement and university credits while still in high school.

- **AND MUCH MORE!**

STRONGER ENGLISH PROFICIENCY

As a city of only 160,000 people, Greater Sudbury allows students to be more immersed in mainstream English speaking culture and language than they would be in a larger urban centre. Students will develop stronger English language proficiency quickly among predominantly English-speaking classmates.

POST-SECONDARY OPPORTUNITIES

Sudbury Catholic Schools helps students reach their full potential and aids them in their next educational phase at their post-secondary schools of choice. Sudbury offers a number of high-quality options for post-secondary education, including Laurentian University, Cambrian College, and Collège Boréal.

SUPPORT SERVICES

Students are greeted by dedicated staff and student ambassadors within their first week of the program. One Principal and/or Vice-Principal of each Secondary school is assigned to ensuring that all international students receive support that is unique to them throughout their experience at Sudbury Catholic Schools.
